### LOCATION OVERVIEW

**Church Street Marketplace** is a vibrant and booming downtown mecca in the City of Burlington. With a surplus of existing retailers and restaurants and the planned mall redevelopment underway, it is quickly becoming a hub for tourists, students and locals alike. It is an exciting time to join the Church Street Marketplace and become part of the heart of Burlington.

**Major Downtown Redevelopment**—Through a collaborative process involving the owner of the Burlington Town Center- Devonwood Investors, LLC, the residents of Burlington, the DAPAC, and the City, plans for the redevelopment of the site have evolved several times over nearly two years. The most current plans have evolved to accommodate many of the central goals of plan BTV Downtown & Waterfront including the redevelopment of a key site in the core of downtown, the reconnection of two streets that were foreclosed by urban renewal, and the addition of multi-family housing in downtown Burlington.
