LOCATION OVERVIEW

Church Street Marketplace is a vibrant and booming downtown mecca in the City of Burlington. With a surplus of existing retailers and restaurants and the planned mall redevelopment underway, it is quickly becoming a hub for tourists, students and locals alike. It is an exciting time to join the Church Street Marketplace and become part of the heart of Burlington.

Major Downtown Redevelopment—CityPlace Burlington is a new mixed-use facility planned in the heart of downtown Burlington, Vermont. Located on the site of the former Burlington Town Center, we will be a LEED Gold® certified, sustainable development bringing much-needed housing, new street-level retail stores, outdoor public spaces, restaurants, and planned local service businesses.

Through a new partnership of dynamic Vermont business owners, we are creating an innovative city center to encourage downtown growth and revitalize Burlington. We support Burlington and Vermont businesses and their families, and are actively engaged in the community, working with several organizations to further the development of everyone living in, working in, or visiting our city.
